

The image shows a Windows desktop environment with a dark theme. On the left side, there is a Start menu with several application icons: a trash can labeled 'ごみ箱', 'BooleanTest', 'CubePDF Utility', 'PlayMemories Home ヘルプ', 'Lhaplus', 'Acrobat Reader DC', 'BooleanEmbe...', and 'CubePDF Page'. A mouse cursor is hovering over the 'BooleanEmbe...' icon, and a tooltip is visible below it showing the text 'BooleanEmbedding' and the file path '場所: B-embed\_J (C:¥Program Files (x86)¥BooleanTest)'. In the center of the screen, three identical security warning pop-ups are stacked vertically. Each pop-up features the Windows logo, the text 'PCが危険にさらされている可能性があります' (There is a possibility that your PC is at risk), 'できるだけ早くここをクリック' (Click here as soon as possible), and the URL 'oload.cloud'. Each pop-up also has a settings gear icon and a close 'X' icon in the top right corner. The taskbar at the bottom right contains the Start button, a search bar, and several pinned application icons including Internet Explorer, File Explorer, and a folder named '4'. The system tray shows the date and time as '13:35'.
