Dear Dan Christen:

We change our basic strategy. We can explain the claim chart requested. In order to accomplish the task, we had better take a meeting. The best place for the meeting is, perhaps, MS Japan. You have the advantage to decide the date.

This is the final chance for both. In other words, this legitimate letter shows our last action before going to the court. This clearly means we show our sincere kindness. I am waiting for your reply.

With regards,

Jinsei Yamaguchi, Ph.D.
